

We had a wonderful response to the mailing we did for our annual Valentine's Day Celtic Jewelry sale.

Many of you picked up Celtic Necklaces, pendants and earring items you had been thinking about for a while, at 30% off.

The new designs we have recently begun carrying from designer Keith Jack in Canada are continuing to be a favorite, as they were during the run up to the holidays. If you haven't seen them, follow the links to the [Celtic pendants](#) and synergy [convertible necklaces](#) .

Many of the designs have gold and silver, or silver and small diamonds.

If you missed our Celtic Valentine's Day sale, be sure to [sign up](#) for our ongoing discounts, and you will receive notification of our special Celtic jewelry blowout sales as well.

We'll be doing our first show of the year down in Sacramento, California in April, we hope to see you there.
