

The latest designs to be available in our online Celtic jewelry store are the [Window to the Soul](#) pendants. (Celtic earrings to match)

As you can see from the photos, these are very classy [Celtic Pendant](#) designs, and also very unique. The design has Celtic knot work that is over a hollow center.

The inside is gilded in 24K gold, so that it shows through the spaces of the knot pattern. This is a subtle, yet striking effect when viewed from the right angle and in the right lighting.

That's why they are called the *Window to the Soul*, because you have to look inside to see the warm glow within.

Each pendant comes with an 18" sterling silver chain, and the bale for each Celtic pendant is large enough to accommodate a large diameter chain.
